

NEVER MISS A SECOND.
MINI ADVANCED CAR EYE.

For peace of mind on and off the road, the MINI Advanced Car Eye delivers HD quality recording when you encounter what could not be avoided. Automatic real-time capture ensures crucial action is instantly recorded. Even when your MINI is parked, the front and rear-view cameras kick into operation if motion sensors detect potential foul play. Download the MINI Advanced Car Eye software from www.miniadvancedcareye.com to fully retrieve recorded videos from the device to a PC.

CLEAR AS DAY.

Full-HD capture with high light-sensitivity for day and night.

ALWAYS READY.

Real-time recording upon any impact giving you footage for review.

DOUBLE BARREL.

Front and rear-view cameras record to provide comprehensive footage.

INTRUDER ALERT.

6-hour Park Mode turns cameras on if impact or motion is detected while you're gone.

SPLIT SCREEN.

Monitor with front and rear-view cameras simultaneously on a split screen.

PINPOINT ACCURACY.

GPS receiver offers precise location and car speed with recording.

MEMORY USAGE.

A total of 30 GB memory will be used for:

Driving mode – 7.2 GB / 81 files
Parking mode – 13 GB / 707 files
Events – 8.6 GB / 294 files

DESIGN AND FUNCTIONALITY

- » Lightweight premium casing with an attractive anthracite metallic finish. Chrome-protected lens matches mount housed in aluminium.
- » User-friendly navigation with visible buttons and easy-to-follow menu instructions.
- » Energy-saving screen darkens automatically, preventing driver from being dazzled. Simply tap screen to reactivate.
- » Available as a complete package with or without rear-view camera.*
- » Camera is both securely attached and easy to remove when required.
- » Adjust camera angle precisely with toothed mechanism. Holder can be placed anywhere.
- » Micro-SD card and USB adapter come included. Easily download footage to a PC.
